Employee Name(s): Euriel Torres

Superintendent: Yancy Marshall

Company: Infinity Construction Services, LP

While performing fire watch duties, Euriel Torres, noticed vapors coming from tubing in close proximity of a welding job. He immediately stopped the work and notified supervision. When operations and supervision arrived, they noticed the line was leaking. The vapors were confirmed to be flammable and Euriel's observation and concern prevented a potential catastrophic event.

Thank you Euriel for your commitment and safety awareness.
